I. INTRODUCTORY COMMENTS

This is the response to the Office Action of April 4, 2006 requesting reply to the 112 first paragraph rejection of claims 2 and 8. Applicant is requesting a one month extension in that the extended due date of June 4, 2006 was a Sunday. Claims 2 and 8 are now cancelled and claim 27 has been amended to overcome the rejection. The dimensions are different for different applications but in each device the dimensions are fixed.
